

PREPARE FOR THE WILDEST ADVENTURES YOU'VE EVER SEEN IN NEW ANIMATION HARVEY BEAKS

It's time to break the rules in new series *Harvey Beaks* premiering on Monday 11th May at 8:00am only on Nicktoons.

London, 10th April 2015 – A well-behaved bird and his two wild best friends embark on hilarious adventures in the brand new animated series *Harvey Beaks* premiering on Monday 11th May at 8:00am on Nicktoons. The show follows the unlikely friendship between Harvey, a bird who's never broken the rules and Fee and Foo, his two new friends who've never lived by any.

Set in a magical forest, *Harvey Beaks* sees Harvey, Fee and Foo's connection grow stronger as they go on quests together and push each other out of their comfort zones. In the premiere episode "Pe-Choo!" In order to have fun with his new friends at the lake Harvey has to do the one thing he finds the hardest - get into big trouble. Then in "The Spitting Tree," spitting from the top of the highest tree in Littlebark is fun for Harvey and his new friends - that is until they realise they can't get back down.

Created, written and directed by C.H. Greenblatt (*SpongeBob SquarePants*, *Chowder*), *Harvey Beaks* will air weekdays at 8:00am on Nicktoons.

Online at nicktoons.co.uk, kids can discover more about *Harvey Beaks*, as well as view clips, images and take part in an online poll.
